Hello, today's topic is about my very own personal experience, it is my own experience which has happened and it is one of the biggest reasons because of which I have opened this channel also that a lot of people's time and lives are wasted because of these fake greedy hypocrites Babas and Fake greedy hypocrite lusty Murshids. And from outside they may seem super nice to you but their reality is so dirty and they are dirty and despicable from inside to the lowest of the lowest level, so today I want to tell you a little something of my personal life experience.

I want to tell you about these lowly hypocrites Murshids, and lowly hypocrites Babas and my own experience with them, but I want to publish those videos only when my channel gets a little popular, and I start getting views, so that as many people as possible see their real face and they get exposed in front of the public who they make a fool of, and their reality should reach the world and the whole world should be aware of their hypocrisy and inner evilness and dirt.

He makes a fool of people by telling these kind of stories which makes people mesmerised he does magic tricks to impress them or show them something in the sky. There is a person by the name of Faraz there who gives his credit card to him, he used to drive a Lamborghini and used to or still do business of phone unlocking from which he earned so much money and Faraz is a rapist, which I will tell later in this video, this Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children stole all the money of Faraz, millions of dollars and with that money Waqar Faiz has built his buildings. I want to tell you all about it,

THIS IS THE TOMB THAT WAQAR FAIZ HAS MADE BY STEALING MONEY FROM FARAZ BY COMING INSIDE FARAZ. FARAZ'S MOTHER TOLD ME WHEN I WENT THEIR FIRST TIME THAT THIS WAQAR FAIZ HAS BRAINWASHED FARAZ AND STOLEN ALL OF FARAZ'S MONEY. FARAZ USED TO DRIVE A LAMBORGHINI AND WAS SINGLE AND USED TO UNLOCK PHONES NOW HOW CAN A PHONE UNLOCKER MAKE SO MUCH MONEY YOU CAN THINK YOURSELF HOW MUCH FRAUD AND ILLEGAL ACTIVITIES FARAZ WOULD HAVE DONE TO EARN THIS MUCH MONEY AND THE PEOPLE WHO DO THE MOST BLACK DEEDS ONLY DO THE MOST CHARITY JUST SO THAT THEY CAN FEEL A LITTLE RELEIF FROM THEIR GUILT AND FARAZ RAPED A MUSLIM GIRL IN CANADA AT HABEEB AMJAD'S HOUSE TOO. THESE BUILDINGS ARE BUILT FROM THE MONEY OF A RAPIST FARAZ. IF YOU DOUBT ANY OF THIS CROSS CHECK IT. THIS CHANNEL HAS SHIV IN FRONT OF IT, AND I DON'T LIE THIS IS MY PERSONAL EXPERIENCE AND YOU CAN DO YOUR CHECKING. I KNOW WHAT THEY WOULD HAVE DONE WHEN THEY LANDED IN TEXAS, AMERICA THEY WOULD HAVE SEEN WHO IS A SINGLE MUSLIM AND WHO IS THE RICHEST AND WHO IS THE EASIEST TO FOOL THEN THEY ALL GO INSIDE THAT PERSON AND STEAL EVERYTHING FROM THEM AND THE PERSON THINKS THEY DID A VERY CHARITABLE AND GOOD DEED THOSE FEELINGS ARE ALSO PUT BY THEM.

What they are and what they are not that I will tell you later in this video but for now know that Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are the most dirty and most evil souls of this universe and at this time they are the most dangerous people on earth. They come inside people and they keep talking inside them and keep putting thoughts inside them every second and they don't stop and they give diseases to people they cause accidents they can come inside anyone and do these things.

They send jinns bad troubled souls without body inside people, they give diseases to people, they break people's bones, I will tell you that they have even gotten a Muslim girl raped in Canada, they have a very close friend called Habib Amjad both of them are from Pakistan and are best friends for 27 years and why they are best friends that also I will tell you later in this video. This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's children have even gotten a Muslim girl raped at Habib Amjad's house through Faraz whose money they stole and made buildings and who is their biggest dog who even kisses their feet. They have programmed and brainwashed Faraz to this level. I know what they do, because how I came out of their Qaid prison only I know and Shiv Shankar Mahakaaal in Shiv Lok right now know.

Faraz cannot come to Canada as he is facing criminal charges to rape a Muslim girl in Canada and after they did this rape Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's children would come inside the same girl and makes her forgive everyone that they are like so innocent and sufi people and he is visiting earth, and they didn't even know. This rape was planned by Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children only. Firstly don't think they are normal children I am not stupid to take their names again and again only their bodies may seem like children their entire family remembers their life from upstairs and all of them can go inside people and they came to Earth for a very specific purpose. What these people have done and what these people can do, you cannot even imagine. And there is a very easy way for them to get away with everything and to show themselves as innocent that they do not know what someone is accusing them of, to put all the blame on Satan, the fact is it was Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children it was them Shiv Shankar Mahakaal himself has told me and I say from my experience that it was Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. I know that I am a Hindu and my religion is Sanatan Dharma and you people have been told only one name for whatever is wrong in this earth and this universe and that name is Satan and you keep repeating the same name again and again for anything wrong that happens because it is written in the book, so this video is for those people who believe after listening to my voice, they believe that this boy is not stupid and this boy does not lie. This is one of the ways of these people to do harm and torture and rape and cause pain and much more to innocent human beings and then keep blaming it on the devil, who would know and who would ever investigate, but I know, that's why I have opened this channel. They have tried so hard to remove me from earth and erase my memory and other things you have no idea. How Shiv Shankar Mahakaal have saved me only Shiv Shankar Mahakaal knows.

They keep on talking inside, they keep on saying continuously in a loop they don't even sleep and they don't let you sleep or eat food they didn't let me even drink tea with biscuit they used to make me vomit and they took my hunger away too, they can make anyone do anything and the person feels that it is their decision, but it was not their decision, it is a very subtle game and only those can see and understand it and who have gone very deep within themselves and have studied the mind in depth and who have tried to know themselves and they know who they are and they can see that the people who are saying inside or what they are trying to get done by changing the body and mind and heart and emotions from inside it is not you and neither it is automatic thoughts of the mind or automatic emotions or automatic heart transformations or automatic body transformations that you have encountered it in the past and it is playing inside you automatically, you can see that it is someone deliberately from inside who is doing this to harm you or to portray your image in a very negative way or to record these events or actions to be presented somewhere else to malign your character and your image or to save themselves or to get forgiveness or to prove themselves as innocent or to suggest to you to forget everything what happened and what they did to you or to put scary thoughts of your image in society or make you feel guilty all the time of some past actions you did or other things and even scaring you about destroying your soul and scaring you that they will throw you in hell or for many other reasons someone has attached themselves in a very subtle way and now the complete body and mind and heart and consciousness and many more things are under their control. Anyone who does not believe me, just change the channel right now. This channel is not for you, do what you like. And this Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children keep you in their prison in such a traumatic condition as their slaves and do not let you go, they are in your heads 24 by 7 they program you, so some words or sentences will keep repeating inside you after some actions or without actions they can even set a timer which can be less than 1 second and they can do that with the body as well that a body will react in a certain way after some words or pictures or thoughts or sentences come up inside you after a certain interval of time or if you see them physically. When Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children were making me cry blood tears they told me that no one has ever been able to come out of their prison till date. I want to tell you everything about them and this game, but I want the whole world to see the reality of Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children so that their drama and acting of playing innocent gets exposed to everyone and this sufi qalandar hypocrisy acting and image portrayal which they have done in America and Canada and Pakistan and India and Paris and don't know where else gets exposed to everyone and who they are in reality the whole world should know who they really are.

There is a Pakistani Handicap Woman named Muneeba Mazari. Because Muneeba Mazari was famous, so Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children have made a video with her too by going inside Muneeba Mazari and convincing her, and they must have done the same thing with all the people who are in Faizi group or consider them Murshids or Sufi Qalandar, they must have gone inside everyone and then made them come to them or they go to them if they need something from them. Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children can go inside every human and everyone who is on earth and they get their work done by going inside them. Believe it or not, even if you believe in Allah and Muhammad, they can still go inside you. And people think they did any action of their own free will, they didn't do it out of their own free will, Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children Faiz made them do it but the point is to see and understand that it is not you and if there is someone else then who is it, it is so fine and subtle that neither will everyone understand it nor will they ever know what has happened and this is what they have taken advantage of and it is not just them who have taken advantage of this, all the fake gods of earth are playing the same game. This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children calls themselves a Qalandar, Sufi Qalandar and have put on the website that they are sufi Qalandar and they have played a big game on earth in Canada, America, Pakistan, India, Paris that is how much I know maybe they have centres all around the earth. And Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children get themselves worshiped and give bait meaning deeksha meaning initiation to the people who they want to use in the future and who can be of any use to them, who then become their dogs and slaves because they program them and then they lick their shoes and kiss their feet and their children's feet and they give all the money and credit cards they have to them. And Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children rape them spiritually too which they don't even know of, I don't have proof but if you beleive me then beleive me fully this is truth without exaggeration. This actually happens, it has happened to me that is why I have opened this channel how I have cried and no one helped me. All the big religious god names you see on earth I went to each and every one of them to help release me from the Qaid prison of Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children but no one helped me and I was shouting and crying blood tears because everyone was involved with them and then Shiv Shankar Mahakaal helped me and released me from their Qaid prison but to do that I had to write about 10,000 papers telling my entire story to the entire Qayanat else they were not letting me go. That is how bad the situation is for HIndus upstairs. It was a big group and they were all together that is why I have opened this channel because before anyone tries to expose them they remove them from earth or they erase their memories or they show them as mental or they scare them or confuse them with all kinds of stories and stuff and many other tacts and they tried all of this with me too. So that is why I have opened this channel to expose that all these gods on earth are fake gods except Shiv Shankar Mahakaal I am telling you from my personal experience. I request all of you to watch my previous videos. Only Shiv Shankar Mahakaal are God fullstop. That is the truth, the rest have been embedded in Sanatan Dharma by the Aryans who brought Sanskrit Scriptures From Arabia they are all Arab Pagan Gods even the shiv of sanskrit scriptures is not shiv he is Hubal also known as Dushara as Baal as Baal-Shamin.

This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children extort money from people. Let me give you an example of Habib Amjad. Habib Amjad runs a Popeyes shop at 30 Famous Avenue, Woodbridge, Ontario, Canada where potatoes and minced meat and goat are fried and packed in bread and given to people, Habib Amjad did not run a Popeyes shop before rather he used to do a job, then Habib Amjad begged Waqar Faiz and Mavish Faiz because Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children also run a Popeyes shop in which they used to fry potatoes, keema and goats. But since Waqar Faiz and Mavish Faiz got Faraz, they don't need any other goat, Faraz used to drive a Lamborghini and was very rich, as I told you earlier it is surprising how Faraz has made so much money just from unlocking phones but Faraz was a millionaire and this Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children took all Faraz's money and they built the tombs and buildings where Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are planning that they will be worshipped in these tombs and buildings. How Sai Baba came with this plan and this access its a very similar plan with this access. Read Sai satcharit and then you will know that this is an access through which they can enter into anyone on earth and humans think only God can do that and they impress people by telling them about various events of the past of humans so people will think only God can know this but once you have this access and you can enter inside any human you can easily know the entire history of that human each event each dialogue and even each emotion and much more associated with that event or of any time of that human on earth, and by doing that they can easily manipulate or break any human as they now know the exact weaknesses and strengths of that human. And when they go upstairs they plan to make people on Earth write more books on them on earth by coming inside any human, there are more than 100 books written on Sai baba alone. I am going to make a video about Sai baba and I am in the process of researching but beleive me the research I did till now firstly Sai Baba was a Muslim 100000 percent which I will prove in the video secondly Sai Baba was a very dirty and evil man and people think he was God unbelievable because they have programmed Hindus in this way only that they will bow down to everyone so anyone can rule over them and bully them. And then after that I will make a video about Gita and exposing Gita because Vishnu was Allah and Hubal also known as Dushara as Baal as Baal-Shamin was fake Shiv and they were all fake Arab Pagan Gods embedded into Sanatan Dharma through Vedas and Puranas and all these books Vedas and Puranas are fake just as them and Sanskrit has not originated in India, Sanskrit originated from Syria and Sanskrit is not our language, our language was and is Hindi and Hindi is the oldest language, I don't have any authentic proof right now to prove my claim but our scriptures in Hindi were burnt, I was told all this by Shiv Shankar Mahakaal. Because the entire Earth system was in the hands of Arab Pagan Gods and because of these books every human on Earth is programmed. Everyone on Earth keep repeating 1 dialogue where is it written, anyone can write anything just as how anyone can say anything anyone can write anything, its not a big deal, find a publisher and write a book and say that you are god and have some dumb illiterate brainwashed people and after 1000 years you might be worshipped on Earth as ansh avtar of someone and if you want a larger following make stories about miracles and magic like dividing sea or eating sun etc. As soon as anyone says 1 word about any false God, the people upstairs make any programmed human robot kill you. Its not the human who kills its the people sitting upstairs who control these programmed human robots and make them kill people. They have programmed you and they are continuously programming you to keep you under their control. You can only know you are programmed once you are out of it, else you will say you are not programmed. If you will see, Pakistanis are Muslims and Saudi Arabians are muslims but why do Pakistani Muslims are kept illiterate and why are they so violent. Because they are considered as garbage by Arabs and higher worlds and they are kept there only to finish Sanatan Dharma fullstop.

Coming back to where we left, Faraz provides Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children with his credit card and bank card so that Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children can travel to Paris and other countries. And Faraz with the help of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and Habeeb Amjad and others have also raped a Muslim girl in Canada at Habib Amjad's house, Faraz is facing criminal charges and Faraz can never come to Canada, this Waqar Faiz was once saying that Faraz cannot come to Canada. I came to know later the reality of this Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children that they are the dirtiest and most evil souls in this universe and the most dangerous people of this world and who they are in reality is not who they portray to everyone. They pretend in front of the world all day its a show but in reality Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are evil greedy eunichs Khusre Chakke. When God Shiv Shankar Mahakal took me out of the prison of this Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, then Shiv Shankar Mahakal told me their reality. Don't make an image of Waqar Faiz after seeing the 3 children these 3 children are the result of the intercourse between Mavish Faiz and Habib Amjad at Habib Amjad's house in Toronto. And don't think that Mavish Faiz is a woman, Mavish Faiz is a eunich Khusra Heejda in a woman's body, and don't think that those children are children, they are not children, they all came from above and they remember their life from above. God Shiv Shankar Mahakal told me everything about them and from my own experience I am telling you the truth of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. This Waqar Faiz had told me that if anyone can get out of the prison of Waqar Faiz, then Waqar Faiz himself can only free them else no one can. And Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children can come inside any human being and make them do anything and send jinns inside anyone. They know about everyone's each and every moment and they don't even sleep. Why can't Faraz come to Canada? I came to know that all of them had planned to rape that Muslim girl, I came to know later when Shiv Shankar Mahakal took me out of the captivity of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and many others and brought me to Shiv Lok, then we all together got many people out of their captivity and many people have been freed from their and others Qaid prison. And all these Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and Habib Amjad and Faiza and many more people whose names I will not mention here, all of them were inside Faraz and all of them have raped that Muslim girl. This 30 Famous Avenue Popeyes store which is being run by Habib Amjad, earlier it was being run by 3 people, Habib Amjad and other 2 investors. Now Habib Amjad because he is Waqar Faiz and Mavish Faiz's dog, so Habib Amjad got the other 2 investors out by begging Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children.

This Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children came inside the other two investors who invested their money in the Popeye's store and got them removed. Now Habib Amjad runs the Popeyes shop alone. These are very vile and dangerous and dirty and disgusting people I am telling you from my personal experience they are right now the most dangerous people on earth. I want to tell you their whole story, they are the dirtiest and most people in this universe, but if you will meet them in reality physically, then you will feel

They seem so polite and nice and humble, what are you talking, this cannot happen, this Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are the dirtiest souls and most evil souls of this universe and all of them are GayFaggot Eunichs. Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are all GayFaggots Eunichs and these children are the children of Habib Amjad and Mavish Faiz, they are not the children of Waqar Faiz. When this Waqar Faiz and Mavish Faiz go to Canada Mavish Faiz and Habib Amjad have sex and these are those kids. They are illicit children of Habeeb Amjad you do a DNA test then come you will know the truth.

These children are to show the people in the society of this world so they can move around in society. Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are such dirty souls they Give diseases to people like Epilepsy and give them Epileptic attacks and they breaks their bones and much much more. And Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children come inside people and keep scaring them about their soul that they will ruin the structure of that person's soul and even destroy their soul and they will throw them into hell or throw them in space and scare them that they will erase their memories if they don't do what they tell them to do and they scare them to finish their loved ones souls and they even extract all the past knowledge of that person by coming inside and stealing all the knowledge from their memory that is how they are able to program humans and they are always sitting on top of you so that no thought or anything which you see gets missed by them because they have to plan for the next step accordingly. You trust me this actually happens. And they are also in the business of converting Hindus to Islam. They make a fool of Innocent people that they know Shiva and they can take them to Shiva and they can take them to heaven. And many wrong things and hypocrisy and deceit that Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children tell to the innocent people who don't know anything so they can keep them as their servants once they get trapped. Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children see everyone as a potential servant for them.

I can tell you completely all the games that Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children play for hours and hours and hours I can tell you the entire game of consciousness the entire game of Soul Access System which is when a person is converted to any other beleif system like Islam, Christianity, Judaism, Sikhsims, Buddhism, Jainism, Vaishnavism on Earth or is in the middle of being converted to any other beleif system like Islam, Christianity, Judaism, Sikhsims, Buddhism, Jainism, Vaishnavism or is considered a possible candidate to be converted any other beleif system like Islam, Christianity, Judaism, Sikhsims, Buddhism, Jainism, Vaishnavism, so at that time how the control of that human's soul access who is from Sanatan Dharma is snatched away by people belonging to other belief systems like Islam, Christianity, Judaism, Sikhsims, Buddhism, Jainism, Vaishnavism and how that human's life is made a living hell on earth till that human doesn't accept beleif systems like Islam, Christianity, Judaism, Sikhsims, Buddhism, Jainism, Vaishnavism especially Islam, this complete game I can tell for hours and hours and hours. What is this real game happening in higher worlds I want to tell you the complete story for hours and hours because how Shiv Shankar Mahakaal have taken me out and how these people have made me cry you can't even imagine. These people don't leave you once you come in their clutches. But I want the whole world to see and hear it because how Shiv Shankar Mahakal have taken me out only Shiv Shankar Mahakal knows, this Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children told me that no one has ever been able to get out of their prison Qaid till date. That is why i want to tell you the whole story,

That is what is happening in reality, how does Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children fool you, how does Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children keep looking for young boys in Masjids and anywhere else because Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are all GayFaggots Eunichs. And Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children take away everything what anyone have from money to Punyas Good deeds, to your virtues, Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children make you bow down at their feet and then take away all your virtues your good deeds and all your angels and protectors which are sent from above to protect human beings this Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children steal those angels and protectors of human beings. This is the real business of Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and this is why they have come to earth and that is how they run their shops all of them from fake murshids to fake peers to fake fakirs to fake gods to fake prophets this is how they run their shops go God pimping.

Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are of Theif and Eunich caste, do not be friendly to them or think of them as any saintly figure that is all acting and their politeness in front of public the show that they do, that they don't know anything and blaming everything on Satan this is all acting. All this show and acting game is done every second inside you only by Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and not Satan, Satan is just a made up entity like "Prarabdha in Hinduism" or "Devil or God's Eternal Plan" in Christianity and Judaism and Islam so the fake Gods can torture you till you don't start bowing down to them 24 by 7 and till you won't do everything they tell you to do or they make you do without thinking or questioning and then they blaming everything on destiny or test or this made up entity so no one in Higher worlds can question them. These fake Gods have even made stories and forbidden humans from thinking by making the Adam and Eve story, that they ate the apple and covered their body parts and were thrown to Hell. God Shiv Shankar Mahakaal who are the real God dont need to test you God Shiv Shankar Mahakaal knows you and nothing is planned everything is in your hands, you need to be proactive and be safe from God pimpers and should be able to analyze yourself who can be God and who cannot be God. Like someone like Vishnu also known as Ram as Krishna as Narayan who steals the clothes of women who are bathing in the sea and climbs up the tree to watch them nude cannot be God, this you should be able to analyze yourself this is common sense. There are many people in higher worlds who are claiming to be God and because of that there are so many Gods on Earth. Coming back to this narration, Faraz's mother also told me, when Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children brought me to America for a day, they didn't bring me physically but spiritually by forcing my body to go to America that is the game I am explaining to you that is played, which no one can give any proof of on earth, then Faraz's mother told me how Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children have been fooling Faraz and have stolen all of Faraz's money and taken complete control over Faraz's mind body heart consciousness and other things which Faraz is also not aware of, only people who have gone within themselves to the deepest states know this game and can see this game and people from the outside can see it, you won't know it and they won't let you beleive it even if you read this they will make you close it immediately or put in your mind that this person doesn't know anything. I know the whole game, how Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children would have done it, as soon as Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children went to Texas, America they must have gone up, up meaning leaving the body and going to higher worlds they can do that and found out who is the richest person there and who is single and not married and that too young boy because Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are all GayFaggots Eunichs and they find young boys whom they can fool very easily, and Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children all work together.

Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children all of them have come remembering their lives from where they were living before, before coming to Earth they haven't forgotten that life and they used to do this same work of going inside humans and making them do what the fake Gods on Earth told them to do. How an ordinary person who comes to earth who does not remember anything who they are and from where they came from and why they they came to Earth but Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children have come remembering their lives from where they were living before, before coming to Earth and what exactly have they come to Earth for and taking advantage of this remembrance of that life Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children fool people and make them worship them, they have stolen money from people like Faraz and got their tombs and buildings built in different countries like America, Canada, Pakistan, India, Paris and who knows where else. The people who Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children give Initiation which is the same meaning as Bait or Deeksha after that Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children make them kiss their feet, Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children call themselves Sufi Qalandar and say that Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children will take them to heaven, Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children have published on their website that they are Sufi Qalandar. Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are not new to Earth they have come many times to Earth before, Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children told me that when they come to India, Pakistan and Afghanistan, and when they go to all the Durgaahs whose names are famous, like Ajmer sharif and Nizammuddin etc. and famous names who are in their graves they rise up from their graves and salute Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. And they told me to ask Faraz as they claimed that Faraz can also see spirits and jinns and they said that in front of Faraz that all the famous Durgaah's peers and Fakirs who are in their graves stood up and saluted Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, they said ask Faraz he was there with them. Mavish Faiz told me that she doesn't know why Waqar Faiz gave this power to see to Faraz and was very disappointed as the greedy Eunich's they are. Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children have so much arrogance and ego you don't know. But the reality of Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children only I know on earth. One I want to expose Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and tell their reality to everyone. Another fake hypocrite greedy baba is in Haridwar by the name of Shantanand. Shantanand comes everyday to an ashram named Swami Vivekananda Ashram, number 15 street, it is an ashram just adjacent to Parmarth Ashram this ashram is the ashram where Shantanand's impostor thief Guru used to live whose stories Shantanand used to tell me. Shantanand told me that Shantanand's guru had X-ray vision and he could see inside and he could fix karmas of many births. They present their old saffron clothed gurus as Gods to fool the innocent people by telling stories of their miracles. This is their business, they earn their livelihood from this. Shantanand's Guru whose statues have been built and whose Aartis have been made which they do everyday, that Shantanand's Guru used to urinate and do shit on the bed everyday and for how many years he has been doing that before he left the body and how many times he had gone to the hospital for medical attention and pain relief, so what will he do to you when he could not heal himself. So don't go by any of their claims. They are all liars thieves impostors pretentious God pimpers.

They gave Rs. 1 crore. From where do these people get so much money, and these people stay there wearing saffron clothes and showing that they are sanyasi and have left everything, after that they do Shaktipat and Kundalini Jagran drama, Shantanand claims that Shantanand can awaken the Kundalini, nothing happens, everything is a lie, everything is a lie and only and only lies.

After that, this Shantanand also tells that one has to merge in Brahm, after that you expand in the whole universe. After that this Shantanand says that if you don't take initiation from a Guru then you cannot get salvation because if you keep chanting mantras on your own at home and worshiping God then you can't reach God because no matter how many crores billions trillions of mantras you keep doing it is considered as only 1 chant but if you join with the Guru, then the entire chain of Gurus, and all the mantras chanted by those gurus you join with them and then you will get the benefit of chanting mantras, then when Shiv Shankar Mahakal took me out from the imprisonment of Waqar faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, then

Shiv Shankar Mahakaal told me the entire story. These people have made this whole business and it is all fraud and lies in the name of spirituality and God and religion. If an innocent, honest good person, a devout person, worships God Shiv Shankar Mahakal then will Lord Shiv Shankar Mahakal tell them that first find and connect with a guru who has a series of crores billion trillions of mantras, then only God Shiv Shankar Mahakaal will listen to you, otherwise God Shiv Shankar Mahakaal won't hear your prayers or else God Shiv Shankar Mahakaal can't hear us from here then why have we been kept on earth

If God Shiv Shankar Mahakal cannot hear at all what we say to God Shiv Shankar Mahakal on earth or God Shiv Shankar Mahakal needs a link of some billion trillions of mantras then why have we been kept on Earth, all this wrong knowledge is what this Shantanand told me and told me that there is a chip, a kind of a subtle part of the body which becomes awakened by Shaktipat by awakening Kundalini which he does and then you remember all your births and your past lives. Neither did I remember anything, nor is there any chip, neither did any subtle part of the body get awakened, everything is a lie and a fraud and a drama only to run their shops. To make their disciples to make their dogs and servants basically, Shantanand tells lies to make everyone bow down at his feet. And the best thing is he says he doesn't lie. The biggest lie Shantanand said to me was that he was my father from previous lives and Shiv Shankar Mahakal told me that Shantanand was not my father from previous lives. I am telling you from my very own personal experience. Nothing happens anyone who claims something happened to them in Kundalini awakening is making stories and imagining and hallucinating. Do not believe any of them do not believe in any miracles or mysticism only believe Shiv Shankar Mahakal are god and that is it fullstop. Whatever you have to ask, only ask only God Shiv Shankar Mahakal, do not ask any human for help.

श्री श्री 108 स्वामी मोहन दास जी

They tell false stories to people who do not know anything. Another such false greedy arrogant pakhandi baba is Mohandas who was from Jalandhar although he has left the body he was in and left this world, He used to tell People that he has Hanuman's Siddhi meaning magical powers. His face had become like a monkey and he himself became fat that is why a lot of people thought he had Hanuman's sidhi because if a person starts looking like a monkey and he recites Hanuman Chalisa, then we Hindus think that he has Hanuman's Siddhi, we are fools of this level in devotion, which all these people take advantage of.

Many people used to say that he has done a very tough penance in a cave, lived on milk, something like this and these people were so full of pride so full of ego so full of arrogance, I cannot tell you, they don't talk to any one who is ordinary only the super rich and super political and business contacts oriented they talk to and stay in their houses in foreign countries. This Mohandas has built a temple in Canada where his picture has been put up and his aarti has been made and whenever he used to go to Canada he used to stay in the house of the super rich, these orange clothes babas don't live in the house of small people they only stay and live in the houses of those who are very rich who are living in hundreds of acres of lands in Canada or foreign countries when they go to visit there or stay there or settle there permanently, they go there and live the most luxurious life these orange clothes babas, and all of them are the most arrogant egoistic and filled with pride people because people are at their feet all the time and there is no miracle powers nothing and there is no sidhi vidhi its only to run their shops and make stories about fascination and miracles just as stories of all the scriptures on earth currently, this is just on a small scale.

I am giving it to you in writing, they all do only drama and acting and magic tricks to impress people only to make people bow down to them. That's how Shantanand treated me when I was so much in problems and tension and I asked him to help me, he told me that I have gone mad, go to a psychiatrist, these people humiliate and insult others who have come to ask for help. Then this Shantanand sent me

To a person named Pawan again that orange clothes baba, he was in Jalandhar. Shantanand said go to him, he sees ghosts souls etc., and he knows how to take it out, so I went there. There, in Punjab, they have made a different system, they have made an ashram there, this Pawan had a guru named Baba Dhyan Giri. And they themselves put sant or maharaj after their names why maharaj, you have left everything right even you don't have any moh for your bodies then why maharaj and why self proclaiming yourself to be sant, if wearing orange clothes makes you a sant, then in America all the prisoners and criminals wear orange clothes. And anyone who wears orange clothes whether saree or suit or T-shirt is a sant. Who is a sant or not that decision should be of only God Shiv Shankar Mahakaal, Shiv Shankar Mahakaal will decide whether you are even a good human being let alone being called a sant. Do not self proclaim yourself or in front of society to fool people who do not know you, call yourself sant in front of God Shiv Shankar Mahakaal who know you. Then we will see, whether you can call yourself sant in front of God Shiv Shankar Mahakaal or not.

These people say that Guru is God and they give the ashes of the Guru's Photo or Statue or Name that if someone applies this ash, they will be cured, no one gets cured, no one has ever been cured only time is wasted and people keep on suffering without any reason. Shiv Shankar Mahakal himself has told me this. The method that I have told you in many of my previous videos, that method is, that you write down your problems and put them in the open and do not remove them till your problems are not resolved.

When you write down your problems and put them in the open, the whole universe will see, because the people in the higher worlds can see the people of the earth, but cannot hear them, and when they all will see and they will see that there are Jinns or any evil spirits that are troubling you and your house is surrounded by them they all will see from the higher worlds when you write and they will see that this person is so troubled and the body they are in and the house in which that person is living is surrounded by evil powers so when the people who were doing this to the innocent human when they will see that now the human has written (consider writing and telling your problems to God as a FIR filed in the headquarters of God think like this) and now everyone in higher worlds knows that they are doing it then those that were doing this

They will be humiliated and insulted in the higher worlds and on earth, and they will be exposed. Their reality will come in front of everyone and then the souls without body and jinns with whom they were getting this work done will go away from there, this is the way to fix this situation. And I will tell you the second way, if you have any photo picture or statue idol at the place where you are living, except God Shiv Shankar Mahakaal's photo or picture or Shivling, other than that whatever pictures or statues or books you have of fake gods in your house, you remove them from the house immediately. If possible, burn them and put them in cow dung you will see the difference. Vishnu Ram Krishna Narayan is not God and Saibaba is not God

Durga is not God and Kali is not god and Hanuman is not god and neither is Hanuman any particle incarnation of Shiv. All these were Pagan Gods of Arabia because the land there was not fertile and there was no water there so that's why they embedded their false Pagan Arabic Gods in Sanskrit and brought them to India. And since then India's downfall has started since these fake gods have arrived in India from Arabia through Sanskrit Vedas and Puranas and Ramayana and Mahabharata and Gita, these books texts scriptures are not ours, and neither is there any reality in these stories, an Arabic Ved Vyas sitting in Syria has written all these books which are nothing but imaginary fictional novels, and all our original old Hindi texts were destroyed, this truth was told to me by Shiv Shankar Mahakaal himself when he freed me out from the qaid prison of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. All of them have associated themselves with Shiv in some way or the other and have inserted themselves in Sanatan Dharma, that Shiv of Sanskrit is not even the real Shiv Shankar Mahakaal who gives Moksha whose shivling is there on Earth and everywhere in this Qayanat since then when there was nothing. This fake Shiv is from Arabia and his real name is Hubal also known as Dushara as Baal as Baal-Shamin. Imagine God Shiv Shankar Mahakaal who gives moksha dancing with damru and putting ashes of burnt dead bodies and wearing a saree and going to dance with Vishnu also known as ram as Krishna as Narayan Raas. Imagine God Shiv Shankar Mahakaal having sex with a male called Vishnu also known as Ram as Krishna as Narayan and having a child called Ayyappan, do you know the name given to those who have sex with the same gender, therefore if you beleive in that Shiv of Vedas and Puranas then don't worship the Shivling this is order from Shiv Shankar Mahakaal. All of them are fake Gods of Arabia and Shiv Shankar Mahakal have nothing to do with them. These Arabs have just inserted Arab Pagan Gods inside our Sanatan Dharma. That's why so many Hindus have been converted to other beleif systems like Islam, Christianity, Judaism, Sikhism, Vaishnavism, Buddhism, Jainism and Hindu women have been raped. There are so many Gods in Hinduism then how come Hindus are being converted and how come Hindu women are being raped, someone needs to inquire that who is running other belief systems, has the God of Sanatan Dharma started taking interest in other belief systems and is the God of Sanatan Dharma interested in getting Hindu women raped and does he want all the people of Sanatan Dharma to convert to the belief system in which he has started taking so much interest in, so what was happening in reality and what is happening, I have been told the complete story

By Shiv Shankar Mahakaal that what was going on, that's why I have opened this channel so that if someone is trapped like me, they would know the way how to get out of that trap. And the reason why I call other beleif systems instead of what they are called on earth is because there is only 1 religion and that is Sanatan Dharma God Shiv Shankar Mahakaal have made only 1 religion, God Shiv Shankar Mahakaal doesn't need to open multiple religions that is why they are called beleif systems because they are opened by fake Gods. I didn't open this channel so you people can abuse me after watching the video and the sad thing is that it is Hindus who abuse me, so why don't you people just change the channel or don't watch the channel why abuse, the truth doesn't care that you wasted 50 years worshipping Fake Gods.

This channel is for those who are trapped how once I was trapped and I was begging all the famous names on Earth who claim to have magical powers or claim to be gods to get me out of the qaid prison of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and their Faizi group members and they have other people too and they had their bosses on whose instructions they were doing this and apart from that also there were lot of people after me and all of them together were harassing and torturing and abusing me and had made my life and every breath of mine a living hell. Why would the fake gods help me they were the ones involved in this. Then when Mahadev Shiv Shankar Mahakal took me out from where they had kept me, Shiv Shankar Mahakal told me the entire game that this was the whole group of Arab Pagan Gods that they embedded into Sanatan Dharma through Sanskrit Vedas and Puranas and our language was Hindi and the real scriptures of Hindi were burnt and only Shiv Shankar Mahakal's Shivling is left and Shiv Shankar Mahakal alone fights for Hindus and rest are all Arab Pagan Gods and they hate Hindus and they don't let go of any Hindu who comes to earth especially Shiv bhakts and especially those who come from Shiv Lok.

So the dirtiest and most evil souls of this Qayanat are Waqar Faiz and Maavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. And then there is this Pawan who runs an ashram in Jalandhar by the name of Baba Dhyani Giri Ashram near Old Rambagh Jalandhar Cantt whom I was talking about before. All these Babas Sadhus Murshids they are all hypocrites greedy liars fake impostors actors and the lowest level of people and no one knows anything about anything they don't know themselves let alone knowing anyone else's future. And the irony is they ran away from their own problems and they are giving solutions to change or fix other people's problems, unbelievable lying fraud scam, they only do acting to show people that they have these powers or sidhis but none of them have anything it is all false I can write it on the paper and sign it, it is all false and lies they are just as normal as you are in any bodily or spiritual way, there is no magic no powers no miracles, this Pawan told me that Pawan knows about the events of some woman in her next birth on earth, unbelievable. The only thing that they know is acting and how to fool people. And the confidence with which they say that they have these powers and that they know everything about any human their past and future and that they talk to God which they don't but the confidence with which they say it makes you believe. People think how can someone say like that with so much confidence they must have something that is why so many people go to them, just because you don't lie or you haven't opened a shop of God pimping doesn't mean the other person is like that and have the same moral and ethical values as you.

Pawan says that the actions and events what some woman will do in the next birth of that woman, Pawan knows those events and can see them. This is how they fool people, the truth is that no one knows what will happen the next moment and people make stories to run their shops about events of other people's next rebirths. All of them are liars and hypocrites. Don't come in any of their words, they have some pet Hindi dialogues which might seem very nice to hear and intellectual but don't get fooled by them, they don't know anything. If you have any problem only talk and tell your problems to Lord Shiv Shankar Mahakal, you write down all your problems and keep them near the Shivling and also write them in the house where you are living and keep them in the open so that the whole universe can see what problems you are facing and who is troubling you. We all talk to Shiv shankar Mahakaal but as I told you earlier the most important thing is to write down the same problems because your stories are misinterpreted in higher worlds by false gods and the people surrounding them and they don't let help reach you and as I told you earlier the people in higher worlds can see humans on earth but they cannot hear them, so no matter how much you cry and shout and tell your problems no one will know except Shiv Shankar Mahakaal what is the problem and in order to get your problems resolved faster do this technique and you will see the results, this technique was told to me by Shiv shankar Mahakaal. So when you write down your problems and let that paper in the open and do not remove it, the whole universe will see and try to help you to get out of the problems you are stuck in if they see you are innocent and need help. This is the way to get the trapped person out.

What you are suffering and what problems you are facing when you start writing them down you will see that your problems will start to get resolved. And the dirtiest and most evil souls of this universe is Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. You don't know who are these people Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, what are they and what level of people they are, they are dirty lowly eunichs, rapists, rascals, theives, pimps types of people. All of you stay away from them and if you have given money to them in Pakistan and America and Canada and Paris and India and Afghanistan, you have not given money to them, they have taken it themselves by coming inside you and they must have made you call yourself so lucky that your money is being used for this noble cause.

They have taken money from you by coming inside you themselves, this is all a game by making you emotional or putting a thought inside you and not letting that thought get deleted till their work is done or forcefully getting it done or giving you stress problems diseases etc., they mix their consciousness with yours and in simple language, if someone does not understand Consciousness, then your heart, mind, body and other things they control this from inside you, they themselves ask questions and they themselves give answer on their own and you will feel that your brain is giving you answers or some divine powers are telling you what to do and its a battle between your Mann or nabz or mind or inner turmoil, and you will feel that you only have taken this decision, but this decision has been taken by Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children to get what they want from you. They play the game with your heart and mind and emotions and body and other things this Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's 2 more children and their Fuddu Faizi group and Jinns who have been kept in captivity by them and who are their helpers on Earth here those who help them get their work done and they get help from higher worlds too, that's why Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children told me and laughed that if anyone can get you out of the prison of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, then it is Waqar Faiz himself. I know the whole game completely, I can make a video of hours and hours of each and every game of Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and what are these games that they play on earth, I have been told completely by Mahadev Shiv Shankar Mahakal and from my own experience how I came out from their qaid prison only I know and that I want to tell you and share with you, but I want the whole world to see it, so that these bastards become nude in front of the world and their acting of playing dumb and playing polite and innocent in front of people and in public and society gets exposed that who these Bastards really are.

This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are such scoundrels and bastards they kept on harassing and torturing me they thought that no one will know and no one will believe me, they used to say to me keep on shouting and begging and telling people who will believe you. All of you stay away from Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, they have even gotten a Muslim girl raped in Canada at Habeeb Amjad's house who is Waqar Faiz's best friend from Pakistan from 27 years and these children that you see where Waqar Faiz lives one of the children's names is Zeerak Faiz and there are other 2 children, they are not children of Waqar Faiz because Waqar Faiz is a GayFaggot Eunich these children are a result of Habib Amjad and Mavish Faiz sex, Waqar Faiz and Mavish Faiz go to Toronto and there in the basement at Habeeb Amjad's house they put black shawl blanket so people of higher worlds cannot see what is happening and no one will know but they forgot that there are people who know. And the person who raped that Muslim girl is Faraz who is Waqar Faiz's most special and close disciple why you might ask because it is from Faraz's money that Waqar Faiz has built tombs and buildings where Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are planning that people will pray to Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children. And all of them Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and Habeeb Amjad and Fayza and many more people I cannot name here they were all inside Faraz and they all raped that Muslim girl. Faraz is facing rape and criminal charges and Faraz can never enter into Canada. He ran away to America that same night after raping that muslim girl. This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and Habeeb Amjad and Fayza and other people who are from higher worlds whose names I don't want to take here they only made Faraz flee that same night to America so that Faraz could not be caught by the police. Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children do you remember or have you forgotten what I had said, I never forget and neither do I let anyone forget, and I won't spare you. They were ordered from above to erase my memory, they were not playing this game for the first time, they are all expert players with playing with humans on earth and they know the ways to get out of situations if they get caught but this time they messed with the wrong person, and they make the person cry to deepest level of their souls and in such agony, and after making them cry blood tears they all laugh out loud and if someone comes to know about them, they erase their memory and blame it on Satan, but they forgot that I have come from Shiv Lok and Mahadev Shiv Shankar Mahakal's hand is on me, This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children and a lot of others have tried so much that before I tell their reality who these bastards are which is totally opposite to the acting which they portray in society and my true story and their real business to the entire world they wanted to remove me from earth you have no idea how much and what they have tried to accomplish this.

And as soon as This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children do something bad to someone and the human starts doubting that it was them immediately or a little while after that they will come inside and say that it was not them, they do not know anything it was Satan or Prarabdha or destiny whatever that person believes in which they have researched by going into your past each and every event of your past because they have this access to go inside any human and accessing their mind, body, heart, emotions, memory and much more. This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children, they only make this whole plan, they only do wrong with the people, they do dirty and evil things with innocent and make them cry tears of blood and then laugh. This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are the dirtiest and most evil souls of this universe. Avoid them at all cost stay away from them no matter how much problems you have they are only giving you these problems just how fake Gods give you problems till you don't start bowing down to them 24 by 7 and your problems will be worsened if you start bowing down to them. And they are after you because they want to steal somethings which you have and your matters will be worsened and they will make you cry blood tears which you might have never experienced. They call themselves Qalandar, they have made websites where they have declared themselves as Qalandar.

This Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children go to mosques and fools young boys and make them join their Fuddu Faizi group and then they will take their soul access once they bow down to them and accept them as their murshids and then they will come inside them and make them into a Gayfaggot Eunich just like them because Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children are all GayFaggots Eunichs. They tell them that they will take them to heaven, who can take anyone to heaven. These are just talks of fooling the already stupid people and to make them their slaves and keeping them on the tip of their shoes as their slaves. I was told that this Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children keep people on the tip of their shoes, once they take bait from them meaning initiation or Deeksha from them, then they don't leave them, who leaves a free slave? How much time does it take to fool an illiterate dumb person people who are basically illiterate, especially illiterates of Pakistan who are arrogant and ignorant and violent illiterate combo pack, how much time does it takes to fool them, less than 1 second they are illiterates, if you tell an illiterate Pakistani that you kill someone in the name of Allah and Muhammad, they will kill in an instant and they will think they have done the best deed of their life and now they sure shot deserve heaven and 72 virgins of 13 foot height. And they will not think once that what are they doing what will the consequences be of their decision because firstly they are programmed to behave in this way only and secondly their minds are closed and they are forbidden to think else they cannot enter into heaven and then they are illiterate and this Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children takes full advantage of their illiteracy and ignorance and arrogance of being dumb and illiterate and Waqar Faiz and Mavish Faiz and Zeerak Faiz and Mavish Faiz's other 2 children get their soul access once they accept them as their Murshid.
